

Would you like to join us?

There are only two requirements:

1. You are a Grandparent or a Supporter.
2. You support Barack Obama because he will ensure that our grandchildren will have a better FUTURE by addressing the issues on War, Economy/Jobs, Education, Health Care and Environment:

War. So our grandchildren will not have to fight and die in someone else's civil war that could last for a hundred years.

Economy/Jobs. So that our grandchildren will not inherit bankrupt policies of deficit spending and tax breaks for the rich; and that they will have good jobs and fair wages that will enable them to buy a home and achieve the American dream.

Education. So that our grandchildren will receive a quality education from pre-school to affordable higher education.

Health Care. So that our grandchildren will be guaranteed universal health care.

Environment. So that our grandchildren will inherit a sustainable world where they can drink clean water, breath fresh air, fish in the streams, enjoy the forests, play with non-toxic toys and not suffer catastrophic consequences of the climate crisis.”

Would you wear a Grandparents for Obama button, or use a Grandparents for Obama bumpersticker -- and maybe distribute some among your friends?
