Dear Neighbor:

RE: Electing Peter Roskam and all the other Republican candidates

I strongly urge you to vote for Peter Roskam and for all the Republican candidates on the November 7 ballot. Candidates elected as Republicans are obligated to advance the Republican platform which is conservative. Candidates elected as Democrats are obligated to advance the Democrat platform which is liberal. Conservatives founded and built Congressional District 6, DuPage County, DuPage County District 4, Milton Township, Wheaton, and our Precinct 9. Conservative Republican values brought us the prosperity and safety that we enjoy and people have always moved here to take advantage of that prosperity and safety. But sadly, increasingly, Democrats move here who argue that things in the past would have been better if Democrats had founded and built the area, and outrageously, that things would be better in the future if Democrats are elected now.

Because Karen and I have lived in Wheaton since 1978 and in this precinct since 1984, because I worked for the United States Government Accountability Office between 1980 and 1997, because I have served as your Republican Precinct Committeeman since 1999, and because I have served as the GOPUSA Illinois Editor since 2000, I fully understand how extremely important it is that Peter Roskam and all the other Republican candidates are elected on November 7. The continued prosperity and safety that we enjoy depends on it.

Helping Elect the Candidates

Many thanks to all of you who are displaying a yard sign and/or a bumper sticker for one or more of the candidates. Please consider displaying additional signs and stickers – just let me know for which candidates and I will bring them over. If you have any time available to help any of the candidates, I urge you contact the Roskam campaign at 221-0006 as soon as possible. Volunteer opportunities include sending friend-to-friend post cards, making phone calls, knocking on doors, helping at the campaign office, and distributing literature at train stations including at the Wheaton train station early Monday morning, November 6.

Voting

If you have not already taken advantage of early voting, please do so at the DuPage County Election Commission office at 421 North County Farm Road. Early voting is available through 4:30 PM Thursday, November 2. Contact the Election Commission at 407-5600. Election Day is Tuesday, November 7. Our polling place is 130 West Park. Polls are open between 6:00 AM and 7:00 PM. A mailing label for each registered voter at your address is on the other side of this letter.

Sincerely,

Dave Diersen
