Mr. Raymond True  
839 Terre Drive  
Libertyville, IL 60048-1649

Dear Mr. True:

We have reviewed RALC's request for permission to use the name "Republican". Pursuant to 805 ILCS 105/104.05, the bylaws and policies, we have voted to deny your request at this time. Your organization has failed to demonstrate its support of Republican candidates on the ballot and Republican elected officials. We would like to evaluate your actions over the next year and would entertain another application no sooner than one year from the date of this letter.

The State Central Committee will consider your actions over the next year and determine if your local organization can demonstrate positive support and endorsement for both the Republican candidates on the ballot and Republican elected officials.

We recommend your organization work in a constructive way to advocate our Republican candidates throughout the state and to consider this goal in the years ahead to bring forward a stronger unified party base.

Sincerely,

State Central Committee  
Illinois Republican Party
