Hard to Say . . . Tough to Beat

August 15, 2008

Dear Precinct Committeeman,

For the first time in over 30 years the 6th Congressional State Central Committeeman will be represented by someone other than the Honorable Ron Smith. On August 12th, I was appointed to fill the unexpired term through March of 2010 of Republican Ron Smith.

Ron is considered a legend among State Central Committeemen and has served 8 State Chairmen as a trusted and valued leader in State Republican politics. During his 46 years in DuPage County Republican politics, Ron served as Countywide Coordinator for Reagan for President, Delegate to the National Republican Convention and was Precinct Committeeman of the Year. Ron will continue to promote Republican values as a Milton Township Committeeman and will have more time to spend with his beautiful wife, Gail, of 51 years.

After receiving Ron's endorsement and the support of Congressman Peter Roskam, Chairman Dan Cronin, Party Secretary Bob Schillersroin, Party Vice-Chairman Pat Durante, the 6th District Township Chairmen and four Cook County Committeemen, I was elected to become the new State Central Committeeman for the 6th Congressional District.

As the 6th Congressional State Central Committeeman, I bring more than 31 years of political experience. I currently serve as the DuPage Clerk of the Circuit Court and offer my 17 years experience as an elected official to the Illinois Republican State Central Committee. I also have more than 30 years of experience in running political campaigns and serving as a precinct committeeman.

I will continue to support your fundraising events and will be present at your organization's meetings. I also will enhance communication between myself and each committeeman. With the help of your Township Chairman, I will collect and secure your e-mail addresses and send you State Central meeting updates. I also encourage you to e-mail me at kateh99@msn.com.

This November election will be like no other election in recent history and requires us to go the extra mile the entire month before the election. As a Republican Committeeman, it is your duty to remind voters why they chose to live in DuPage County: good schools, safe streets and a corruption free government. Every time you go to their door and ask for a vote, I encourage you to remind voters of the great principles Republican officials support.

Let's have a great Republican victory in November, and I will see you in the precincts!

I remain,

Chris Kachiroubas
6th District State Central Committeeman
