

July 1, 2007

Dear PTA President,

Hello, my name is Donna Budlong; I am the local school liaison for Friends of the Schools (FOS) referendum committee. As you know, district residents will be faced with an upcoming referendum to decide on building a new Hubble Middle School at the intersection of Herrick and Galusha Roads. I understand Ralph Heatherington; chairman of FOS has already been in contact with the PTA and the principal of your school.

I am contacting you today because your PTA has been a valuable connection to your neighborhood, helping pass other successful referenda. Past referendum committees have worked in partnership with the PTAs in our school district, and we are hoping this partnership will continue. Please assist us by **identifying potential volunteers** and providing **dates of your PTA meetings**. I would be happy to work with you to coordinate a time when a representative from FOS can present details regarding the building of the new Hubble Middle School. We believe when the community is educated with factual information and are able to clarify their questions, our children will receive the kind of building facility they deserve.

You can reach me at my home phone number 393-0270.

Most Sincerely,

Donna Budlong
Friends of the Schools
Local School Liaison
