Virginia Republican Creed We believe: That the free enterprise system is the most productive supplier of human needs and economic justice; That all individuals are entitled to equal rights, justice and opportunities and should assume their responsibilities as citizens in a free society; That fiscal responsibility and budgetary restraints must be exercised at all levels of government; That the Federal Government must preserve individual liberty by observing constitutional limitations; That peace is best preserved through a strong national defense; That faith in God, as recognized by our Founding Fathers, is essential to the moral fibre of the nation. <http://www.rpv.org/?q=node/23>
